

Factory

Our factory is located in ShuiTou Town, which is very famous for its building and construction stone material. It is about 70Km away from the Xiamen sea port and air port. Our factory is founded in 1992, we now focus the production in marble products such as marble panels, tiles, slabs, mosaic and so on. We imported advanced machines and production lines from overseas, at the same time professional management is applied, which assures high quality of our products and service.
