

## Feb 16~23, 2007 Holiday

Please be advised that our company will have the holiday from Feb.16 to 23, for the Chinese Spring Festival ( Chinese New Year ).

We will try to check email everyday even in the holiday, but we are afraid our factory can not arrange the production and samples for you, because all the workers will not work during this holiday. Anyway, if anything we can do for you, please just contact us by emails or mobile phone calling.

Our office stuff will back to work on FEB 23, and the factory will start on MAR. 01.

Thanks.
